Campus News

Teen Mission Groups Visit Campus

Teen groups from the Cameron Ave. congregation in Colonial Heights, Virginia and from the Collinsville congregation in Collinsville, Illinois visited campus during the month of July and accomplished a great deal. These groups;

- * Moved families into the new triplex
- * Cleaned apartments and campus areas
- * Repaired concrete
- * Prepared mailings
- * Prepared meals

- * Organized library materials
- * Stocked and organized the pantry
- * Organized games and devotionals
- * Fixed drainage areas and mulched

- * Helped a local congregation's VBS
- * Worked at a local congregation's food pantry

Staff and residents were enriched by the chance to work and spend time with these groups while they were here. Their willingness to serve in this ministry was a great blessing and was deeply appreciated.

In July, girls from the Totty house attended a camp session in White Bluff, Tennessee, with several Tennessee congregations. Totty houseparents, Tim and Kate Haines, served as staff during the week. The

sponsorship of the girls house by the Chapel Class at the Hartsville Pike church of Christ in Gallatin, Tennessee makes it possible for the girls to attend this session.

The girls also enjoyed a vacation to Washington D.C. in July. They helped raise money for their trip through a variety of projects and had a great week sightseeing.

Leah W., Jacob B., Jodi W., Mentoe B., and Daniel G., were able to attend camps in July, with area congregations, at Taylor Christian Camp in Holland, Kentucky.

Bill Retherford, Maintenance Supervisor and his wife **Lynn**, Development clerk, retired in July after 10 years of service with Potter. Bill and Lynn have served in

many areas of Christian childcare for 27 years, having worked in several areas of the ministry here at Potter and at an agency in Indiana. Bill and Lynn will be greatly missed by both staff and residents.

Best Wishes for Bill and Lynn in their retirement!

The Single Parent Family Ministry of Potter Children's Home is pleased to include **Glenda Gabhart** as a staff member. Glenda is a Licensed Clinical Social Worker and a Registered Play Therapist.

During her fifteen plus years of professional life, which also includes eight years of private practice, her primary focus has always been on families and their emotional and social health.

With her love for God, varied experiences and trainings, Glenda is prepared and dedicated to the mission of serving the families here.

Glenda is the proud parent of two children and grandparent of seven. We eagerly anticipate working with her.

Silver For Children Cans Are Being Collected

The first of the 2009 Silver for Children change cans are being turned in. The response from the participants has been wonderful. Congregations are reporting different ways they are setting and meeting their goals: some try to have more cans turned in than previous years, others have members who have challenged the group by offering matching gift incentives. In July, a congregation in Louisville, Kentucky, wanted to see how many gold dollar coins would fit in a can. They fit \$356 in one can and had an extra \$122 in the gold coins for another can.

Paul Meredith, Watterson Trail church of Christ minister, presents Gene Goode with the 6.4 lb. can of gold coins they collected.

These individual challenges are always exciting and encouraging to hear about. It is especially encouraging to hear the sweet stories of children going to great measures in order to fill their cans to help others. **Whatever means your congregation chooses to use to encourage participation in the Silver for Children Cans is deeply appreciated!** Each can of Silver for Children helps change a life. *The schedule for the remainder of the 2009 pick-ups can be seen at right.*
