

Happy Holidays 2009

Dear Friends of Children,

Since 1914 Potter Children's Home has served over 7,000 children and single parent families. This has all been made possible through the kindness, support and prayers of caring Christians like you. We are so blessed!

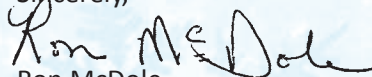

This year's indications are that Jack Frost is coming early to Bowling Green, KY. The temperatures have been unseasonably cool or should I say "cold". We have found that during the winter months we experience our highest operational costs of the year. During the early part of October, several people spotted the blackest wooley worms....according to folklore that isn't good news. We had to turn the furnaces on much earlier.

To adequately heat the dorm building, one furnace needed to be replaced. At present there are nine single parent families who call the old dorm building "home". It is vital that all the furnaces run efficiently to help maintain the warmth for these families and to be cost effective.

We need your help again this Holiday season to raise \$7,000 to pay for the furnace replacement. Gifts of \$50, \$100, \$200, \$500, or any amount you care to give, will combine with other's gifts to help make a major difference. If we are blessed beyond the replacement cost of the furnace, the additional income will be used to offset the 2009 deficit and for the day-to-day care of the children.

Because your gift is so very important to the children at Potter, we ask that you prayerfully consider placing us on your gift list this holiday season. As always, the staff, children and families of Potter Children's Home and Family Ministries pray God's blessing upon you and your home.

Sincerely,

Ron McDole
Minister of Christian Stewardship

P.S. With your gift to help pay for the new furnace please consider an additional gift to help offset the 2009 deficit. Please help us start 2010 in a positive way!

Please tear off and return the bottom portion
