MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR

LEADER OF THE MONTH

Molly was chosen as Leader of the Month for October at her school. Molly is in the second grade. We are proud of our kids as they are recognized for their efforts.

JENNA’S PROJECT

In her spare time, Jenna, a sixth grade student at Foundation Christian Academy, built a doll house, with furnishings, for her school’s annual auction. The auction was a fundraiser for the school. The doll house sold for $250.00. Jenna was helped by her foster mom, Helga Nelson of Totty House. Congratulations to Jenna and Helga for donating such a beautiful doll house and for a worthy cause.

The Joy of Giving

Ralph Brewer Executive Director

In Acts 20:35, Jesus is quoted by the apostle Paul as having said, “It is more blessed to give than to receive.” We have all experienced the truth of that. Oh, yes, we like to get things but I think one of the big reasons this time of year is so special to so many is the opportunity we have to be together and give gifts to those we love. When we give, we are like God. “For God so loved the world that He gave…” And, although it is very doubtful that Jesus was born on December 25th, it can only be good that people are reminded of that gift each year during this season.

To all of those who have blessed the children here with a gift this year, THANK YOU. I can’t tell you how much I appreciate it. I hope each of you have a wonderful Christmas season this year. Thanks for blessing the children here.

JOY RIDES

It seems that Santa traded in his sleigh for a vintage 1964 Corvette when he came to the National Corvette Museum. While here, he treated some of our children to a joy ride in the “Vette”. The children were thrilled and little Sophie just LOVED Santa.

The event was sponsored by the Museum and as always, we appreciate their time and efforts. We especially want to thank Santa and Mrs. Claus for making the trip from the North Pole to Bowling Green to give our kids a ride they won’t soon forget.

A NEW CRIB FOR TAYLOR

One of our newest residents needed a new crib and one was donated by a three year old child who had outgrown hers. Taylor is so happy to have a bed of her own to sleep in. We are so grateful for people who are willing to step up and provide items that our moms and children need.

PEANUTS MOVIE PREMIER

The children were treated to a private screening of “The Peanuts Movie” before it was released for the public. The event was sponsored by Sun Products, a local manufacturer of laundry products. They got to meet and have pictures taken with Snoopy and Snuggles.

The kids really enjoyed the movie and appreciate Sun Products for providing them the opportunity to see the movie before anyone else.

Timothy placed 8th in his school’s Running Club competition. This is his first year on the team. Congratulations to Timothy on this very impressive achievement.

And He will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace

For her 5th birthday party, Charli Beth, from Ashland, Tn., asked her guests to bring gift certificates for a young child at Potter. She loved shopping for Kailey and getting to see her open the presents! Thank you Charli Beth!
