A Bumper Crop

Our garden was a big success this year. Howard Miller, our facilities manager, with the help of some of the children, planted all sorts of vegetables and fruits that the residents have enjoyed this summer. The harvest consisted of squash, beans, peppers, cucumbers, tomatoes, cantaloupe, zucchini and watermelon. Some of the produce grew to humongous size.

New Staff Members

We would like to introduce two new staff members. Sonja Taylor is now the new SPARK supervisor. She has worked with Potter in various capacities for a number of years and has taught Financial Peace University for the SPARK moms. She and her husband, Jeff, attend the Alvaton congregation.

Alicia Helton is our new SPARK Counselor. She has worked with children and their families as a community counselor, worked at a mental health facility for youth, and counseled adults in substance abuse. She has also taught students with emotional and behavioral problems. She looks forward to working with the single moms and their children.

Take Me Out To The Ballgame

Our residents and staff were given the opportunity to see our Bowling Green Hot Rods play baseball against Fort Wayne. One of our foster boys, J.T., was chosen to throw out the first pitch of the game. He plays on a ball team and was thrilled to be able to do that. Some of the other children were chosen to participate in games and activities just a few innings. Unfortunately, the Hot Rods lost but that didn’t keep us from having a great time.

Congratulations!!

Cindy, one of our SPARK moms, passed her Registered Medical Assistant exam and is now certified. She has been hired by a local physician.

We congratulate Cindy on this significant achievement in her life.

Fruit of the Loom Donation

Fruit of the Loom recently celebrated “National Underwear Day”. They asked local media to post a picture wearing boxers over their clothes. Each participant was able to select a charity for a donation to be made. The WNYK news team and FOTL employee, Pat Chapman, selected Potter Children’s Home. FOTL donated 1,500 pairs of underwear on their behalf. Thanks to FOTL and those who participated.
